User hereby represents, warrants and covenants that, except as otherwise expressly permitted in this License Agreement, User will not and will not permit others to:

- a. Resell, distribute, publicly display or publicly perform the Data or Documentation, or any copy thereof, by transfer, lease, loan or any other means, or make it available for use by others in any sharing, service bureau or similar arrangement. The User and FFI agree that the exclusion of Warranties and Disclaimers of Section 6 and the Limitation of Liability of this Section 7 are reasonable in light of the fees paid under the License Agreement.

Further, such provision will be reformed only to the extent necessary to make it enforceable and the term or condition which is held to be illegal or unenforceable shall remain in effect as far as possible in accordance with the intention of the parties.
- b. Nothing in this License Agreement shall be construed to place the parties hereto in an agency, employment, franchise, joint venture, or partnership relationship. Neither party will have the authority to obligate or bind the other in any manner, and nothing herein contained shall give

rise or is intended to give rise to any rights of any kind to any third parties. Neither party will represent to the contrary, either expressly, implicitly or otherwise.

- c. All disputes, claims or controversies arising out of this License Agreement, or the validity or performance of this License Agreement, or the transactions contemplated hereby shall be governed by and construed in accordance with the laws of the State of New York without regard to its rules of conflict of laws. Each of the parties hereto hereby (a) irrevocably and unconditionally consents to submit to the sole and exclusive jurisdiction of the courts of the State of New York and of the United States of America located in the City of New York (the “NY Courts”) for any litigation among the parties hereto arising out of or relating to this License Agreement, or the validity or performance of this License Agreement, (b) waives any objection to the laying of venue of any such litigation in the NY Courts, and (c) agrees not to plead or claim in any NY Courts that such litigation brought therein has been brought in any inconvenient forum or that there are indispensable parties to such litigation that are not subject to the jurisdiction of the NY Courts.
- d. User may not assign this License Agreement without the prior written consent of FFI, which may be withheld by FFI in its sole discretion. Any purported assignment in contravention of this section is null and void. A transfer of a controlling interest in the equity of User shall be deemed an assignment for purposes of this subsection. Subject to the foregoing, this License Agreement will bind and inure to the benefit of any successors or assigns.
- e. User agrees that it will not knowingly, in conjunction with this License Agreement or its performance (i) export or re-export, from the United States directly or indirectly, any technical data (as defined by the U.S. Export Administration Regulations); or (ii) disclose such technical data for use in, or export or re-export directly or indirectly, any direct product of such technical data, including software, to any destination to which such export or re-export is restricted or prohibited by U.S. or non-U.S. law including, but not limited to, Cuba, Iran, Iraq, Libya, North Korea, Sudan, or Syria, or to any person on the Table of Denial Orders, the Entity List or the List of Specially Designated Nationals, without obtaining prior authorization from the U.S. State Department, U.S. Department of Commerce and/or other competent government authorities to the extent required by those laws. User shall cooperate with FFI in the evaluation and securing of all necessary export authorizations and licenses.

This License Agreement constitutes the entire agreement between the parties. It supersedes and replaces all prior or contemporaneous understandings or agreements, written or oral, regarding such subject matter, and prevails over any conflicting terms or conditions contained on printed forms submitted with purchase orders, sales acknowledgments or quotations. This License Agreement may not be modified or waived, in whole or part, except in writing and signed by an officer or duly authorized representative of both parties. Failure or delay by either party to enforce any provision of this License Agreement will not be deemed a waiver of future enforcement of that or any other provision.
